## SUMMARY

The "Green Hands Burgos III" project aims to be the continuation of the "Green Hands Burgos" project, hosting two volunteers in Ábrego Association and two volunteers in Huerteco Association. The main objective of "Green Hands Burgos III" is to promote environmental education as well as to encourage rural development, through the activities that will be developed in the different organisations and through the activities focused on sustainable development and environmental protection issues. Furthermore, the project will represent an opportunity for intercultural learning for the volunteers and entities involved, who will participate in the project to promote cooperation and solidarity, responding, as it did in the first edition of the project, to the programmatic strategy of the European Solidarity Corps, designed precisely to promote cohesion, solidarity, democracy and the active participation of young Europeans.

# ÁBREGO ASSOCIATION

The main mission of the association is to make society aware of the need to get involved in order to generate changes that improve and enrich people's lives. The association's main objective is rural development as a response to the global, and for this reason, it creates spaces and meeting points in the rural world. The main activities in which the volunteers will be involved are the following:

- assistance and support in visits to local producers and horticulturists for production, soil and cultural analysis;
- assistance in the design and planning of activities for those who live and work in the rural environment;
- support in the facilitation of laboratories and training courses for children and adults dedicated to environmental protection;
- organization and implementation of workshops on environmental education, creative recycling, etc.;
- development of cultural activities;
- implementation of cultural exchange activities to promote active citizenship and the development of innovative activities in relation to the objectives of the association.

## VOLUNTEERS PROFILE
