ESC Erasmus+

Quinta das Relvas is proud to announce its next European Solidarity Corps project!

The project will have 90 days
at Quinta das Relvas headquarters,
from March 15th till the 12th of June.

We will have:
6 participants
(3 per sending partner)

We will use Permaculture as main methodology to explore different ways to grow food and to regenerate habitats, and develop creative and artistic ways to interact in the farm.

As practical knowledge you will work at

- Market Garden,
- Syntropic Agroforest,
- From seed to plant and plant trees
- Making new soil & Composting,
- Taking care of the animals
- basic construction and design

How to apply?

1. contact your sending NGO
2. fill in the participant application form
3. follow the sending NGO instructions for next steps (project preparation & flights)
4. enroll yourself in the ESC platform PASS (https://youth.europa.eu/solidarity_en)

When accepted you will be added to a whatsapp project Group & mailing list.

*both going and return should be bought 1 month before the activity

** deliver your flight plan to receive green light to buy tickets

Logistics:

Weather:

the weather during this time of the year is expected to be around 20/25° day 12/15° night and the probability of rain during this period is big

Where to stay?

Quinta das Relvas Volunteer house

Meals?

you will have a Kitchen to use and prepare your meals

What to bring? Comfortable clothes, warm clothes, warm pijama working shoes, bath towel, mosquito repellent, rain jacket.

Financial:

You will receive 5€ of pocket money per day
+ 5€ of food money during your stay at the
farm.

We will pay in the beginning of every week
the pocket & food money support.

The last project week is paid in the last day
of the project making sure that all
departure logistics are done.
